

THE B&O PLAY SOUND SYSTEM IN FORD EDGE

MUSIC IS IN THE AIR

Vehicle line drawing for reference only.

PREMIUM SOUND EXPERIENCE

All components of the powerful B&O PLAY Sound System have been carefully selected to achieve optimal performance levels in the spacious cabin of the Ford Edge.

TUNE INTO MUSIC

The B&O PLAY Sound System features surround speakers in the D-pillar and delivers an enveloping listening pleasure for all passengers in the car.

PERFECT FOR EVERY DRIVE

The sound is optimized for the drive on different road conditions, maintaining consistently high sound quality, as rough as the terrain might be.

Tuning

Ford Edge has undergone static and dynamic sound tuning to ensure that the listening experience in a stationary car is maintained, regardless of the driving conditions.

DESIGN

Design Theme

Radiating Design

Design Elements

Derived from the iconic product design of the B&O PLAY consumer products.

Radiating hole pattern supports acoustic transparency.

Anodized aluminum logo badge rests at the focal point of the pattern.
